ABOUT ARFNZ

1 in 7 New Zealanders live with a respiratory condition. That's more than 700,000 Kiwis who know what it feels like to struggle for breath.

The Asthma and Respiratory Foundation New Zealand works to help all New Zealanders breathe better. We provide resources, education, advocacy and research on respiratory conditions like Asthma, Chronic Obstructive Pulmonary Disease (COPD) and Bronchiectasis.

We receive no government funding and rely on the generosity of our supporters to help us with our work. By fundraising with us, you are helping Kiwis breathe better.

Thank you so much for your support!

HOW TO ORGANISE A FUNDRAISER

It all starts with a good idea!

The key to a good fundraiser is fun – so think of something that you will enjoy and will get supporters interested (Check out our ideas on the next page). Once you have an idea, get all the practical details sorted: the date, location and your fundraising target. Set your goal high – people will be generous for a good cause.

Tell us about your event.

Let us know what you are doing. We are happy to supply resources to help your fundraiser and we love sharing stories about our generous supporters on social media and our website.

Share your fundraiser with everyone.

Let your community know what you're doing. Post it on social media and ask your family and friends to share it. You could also print off posters for your office, school, community centre or library.

Bank your funds.

The best way to share your generous donation with the Foundation is to deposit it directly into our account.

If you would like an invoice, please email us at:

info@arfnz.org.nz with your name, address and phone number.

Be social!

Social media is a great way to share your fundraiser. Here are a few tips to help you:

Creating a **Facebook** event is a great way to get community involvement. You can also share your event on relevant community pages and message boards.

LinkedIn is the perfect place to share your fundraising efforts with colleagues or to promote your team's event with a wider network.

Share images of your event or training for your event with your **Instagram** followers. Use hashtags like **#asthmafoundation** **#arfnzfundraising** to connect with others.

Remember to say a big thank you to all your supporters!

Let them know their contribution is making a real difference to New Zealanders with respiratory conditions.

FUNDRAISING IDEAS

HERE'S SOME TIPS TO GET YOU STARTED...

Individual fundraisers

Set yourself a challenge and get your friends and family to sponsor you. It could be a physical challenge (a run, walk, swim) or something totally different – a knitting or dance challenge?

School or community fundraisers

Get your students or community group using their lungs and fundraise for a good cause. You could run a skip-a-thon, dance-a-thon or any other a-thon that you choose. Bake sales and gold coin donation days are always great options too.

Corporate fundraisers

Make your next team-building event a fundraiser for the Foundation. Challenge your colleagues to work out their lungs with a sponsored stair climb or a sing along. You could host a donation-entry morning tea or after-work drinks event.

Gifts for good

Do you have a special event coming up? You can register your celebration with the Good Registry and ask your guests to donate directly to the Foundation or buy a Good Registry voucher as a feel-good gift.
